Laurie's Corner

We are well in to 2016 now. Hope everyone has been fortunate enough to stay well.

It is hard to know what season it is with the weather. Varying from the teens to the '80's. February 2nd is Groundhog Day. If the groundhog sees his shadow, there will be six more weeks of winter!

There are varying opinions as to the origin of Valentine's Day, but over time February 14th became the date for exchanging love messages. We will be celebrating Valentine's Day a little early since the 14th is on a weekend. We will have our Valentine's Party on Friday, February 12th at 2:30 P.M. WE will crown our King and Queen and have refreshments. Hope you can come join in the fun.

God Bless,
Laurie
